"This is an excellent Grange that is really coming into its own. The palate is ripe and succulent, with kirsch, menthol and dark fruits bursting from the glass as if they have just been let out of prison. The palate is full-bodied, layers of sweet, 'slutty' black fruits that are rounded and caressing in texture. Again there is that hint of menthol, but the overall impression is that this Grange has more to give in the future. Sit on it for a while."
