"The 1995 Ornellaia is superb. The 1995 has long been one of my favorite vintages of Ornellaia. It is also a wine I have followed since the beginning. Over

the last few years, though, the wine has begun to fray and show its age. The 1995 was made during an earlier era, before Ornellaia introduced Le Serre Nuove, the estate's second wine, and increased the selection for the flagship wine. On this evening, from magnum, the 1995 is superb. Lifted, gracious and remarkably fresh, the 1995 is utterly sublime."
