"The 2006 Alzero is wonderfully alive and vibrant in the glass, with beams of energy that run through its deep frame. Exotic and alluring, the 2006 simply has it all. There is plenty of richness in the black cherry, licorice, smoke, tobacco, espresso and mocha flavors, but 2006 also has an element of restraint that balances some of its more overt leanings. All the elements fall into place effortlessly. When Alzero is on, there is simply nothing else like it."
