JS 92 | RP 92 | VN 90 | WE 93 | WS 90

"From a 30-acre property next to Château Chasse-Spleen, this 2010 is solid, dark and rich, typical of the vintage. There is a veneer of smooth new wood that opens to reveal firm, solid tannins. This is big, structured and ready for long-term aging. *Cellar Selection* 93"

"One of the finest wines to come from Cantenac Brown for many years, this is powerful and dense, dominated by Cabernet Franc tannins and fruits. The structure has a smooth, polished character that locates it firmly in Margaux, giving elegance and discreet fruitiness. Age this fine wine for many years. *Cellar
