Critic tasting note: (1982 vintage) "It is always all about the bottle at this age, and fortunately for us, this was a gorgeous bottle with layers of decadently-textured, silky plums, dark red pit fruits, tobacco leaf, and hints of cocoa on the palate. There is a uniqueness of texture, that is pure Cheval. The perfume was equally alluring with all of its dried flower, cigar wrapper. spice and red fruits. Fully mature, this is a superb example of what Cheval Blanc does best. Drink from 2023-2030." - 97/100, Jeff Leve, The Wine Cellar Insider
