Description

New Riff Single Barrel Kentucky Straight Bourbon Whiskey

Distillery Bottled. Barrel No. 17-1976. Distilled Spring 2017
750 ml / Kentucky, USA / 51.45% ABV

"New Riff is still too, well, new to have established "classic" flavors, but this bourbon certainly shows consistency with the distillery's bottled in bond version—amped up here at barrel proof. Almonds and berries lead the nose, but it boasts voluminous depth with notes of peanuts, iced tea, orange blossom, tobacco leaf, and baking spice. Dark fruit, textured spice, savory peanuts, dark chocolate, mint oil, orange, almond, and cherry on the palate; adding water is a good idea. The finish extends all the flavors with seemingly boundless length. Every sip is thrilling. 92/100" - Whisky Advocate

Old Forester Barrel Strength Single Barrel Kentucky Straight Bourbon Whiskey

Distillery Bottled. WHSE G, Floor 6. Selected for Wine & Beyond.
750 ml / Kentucky, USA / 64.45% ABV

"Don't be fooled by the gentle honeysuckle aroma coming from this whiskey—it's a powerhouse. From the first sip there's a sensory overload of bold, zingy flavor. There's a caramel core buried deep inside, with layers of oak, bracing licorice, chile oil, and a long spicy finish. This is a lip-smacking dram, one best suited as the final one of the night, a memorable toast to a day well spent. 90/100" - Whisky Advocate
