Estimate \$ 140-200

Description

Woodford Reserve Master's Collection 1838 Style White Corn

Distillery Bottled. Triple-Distilled in Copper Pot Stills. Bottle No. 24845.
750 ml / Kentucky, USA / 45.2% ABV

"Fresh-shucked sweet corn on the nose, a wisp of hot clove spice, some fresh grassiness; a clean aroma. True on the palate, with a bit of fresh cob as well, and firm oak. Lean and a bit leathery in the Woodford style, but lighter in the mouth; is the lightness from the white corn? I like this; I tend to give Woodford a bit more latitude in these essays. 87/100" -Whisky Advocate
