LOT 115 - Stellum Cask Strength Whiskey Selection(2 bottles)

Estimate \$ 120-180

Description

Stellum Cask Strength Bourbon

Distillery Bottled

750 ml / USA / 57.49% ABV

"Nose/Aroma: A very inviting aroma of vanilla custard, cinnamon, apple, spice, tobacco and oak. Classic sweet bourbon nose.

Palate/Body: Caramel, cinnamon, clove, spice, oak, hint of cherry. Medium body around the glass.

Finish: Medium long finish with hints of leather, brown sugar and seasoned oak.

Overall: I had no idea how much I would like these Stellum releases. I thought they would be good no doubt. But I have since gone back for backups of my first two bottles. I'm trying to get back to my "no back ups rule". But these purchases lately are just too good."
