## Description

### **Smooth Ambler "Old Scout" Straight Bourbon Whiskey, 5 Year Old**

Distillery Bottled. Barrel No. 28002.

750 ml / Indiana, USA / 59.3% ABV

"In many ways, this barrel feels the most typically "MGP." The nose wafts out of the glass with plenty of caramel and spicy oak, hints of dill, and orange peel in the background. As it opens the vanilla takes along with the clove and cinnamon. On the palate, sweet brown sugar and dark cherries couple with that big vanilla continuing throughout. Clove runs through the entire thing with a rich caramel aroma balancing on the medium-long finish. Very personable and approachable. An easy one to recommend to anyone, even a bourbon novice." - D.O.G
