Old Forester Birthday Bourbon 2024 Release, 12 Year Old

Distillery Bottled

750 ml / Kentucky, USA / 53.5% ABV

Introduced in 1870, Old Forester is one of America's historic bourbon brands. It was one of the first to be sold only in sealed bottles, in order to ensure quality control, and to capitalize on the medicinal whiskey trade in the 19th century.

The Birthday Bourbons are released on 2nd September annually to mark the birthday of the distillery's founder, George Garvin Brown. The 2024 release of Old Forester Birthday Bourbon is aged for 12 years in Warehouses G and L and bottled at 53.5% ABV. Selected by master distiller emeritus Chris Morris, master taster Melissa Rift and assistant master distiller Caleb Trigo, it comes from 209 barrels.
