LOT 29 - Lagavulin Special 2022 Cask Strength Release 12 Year Old

Estimate \$ 100-200

Description

Lagavulin Special 2022 Cask Strength Release 12 Year Old

Distillery Bottled

750 ml / Islay Single Malt / 57.3% ABV

"'The Flames of the Phoenix' is an appropriate theme for the 2022 Special Release bottling of Lagavulin, as it was designed to be the most phenolic Lagavulin yet. Fans of the distillery will know that means a truly peaty customer, with lots of spice and power amplified by the virgin oak casks this heavily peated Lagavulin was aged in, alongside American oak refill casks." - Master of Malt
