

Sale Name: Traditional Sale: Antiques, Collectibles, Decorative Arts & Carpets

LOT 1120 - JAPANESE CARVED IVORY NETSUKES (2)

Estimate \$ 100-200

Description

JAPANESE CARVED IVORY NETSUKES (2)

Two intricately carved ivory netsuke depicting a scholar at a desk and a gentleman on a horse sitting upon a gourd shaped sack. With incised detail and signature to the underside.

Length: 2 in.

RESTRICTED MATERIALS: Under the Convention on International Trade in Endangered Species of Wild Fauna and Flora Agreement (CITES), items offered for sale which contain restricted materials such as ivory, tortoiseshell, whalebone, sealskin, rhinoceros horn or other animal parts are not allowed by law to leave Canada or to be imported to most countries. It is the Buyer's responsibility to verify whether this restriction applies to their purchases prior to bidding. No sale shall be rescinded if the Buyer is remiss in this regard. You must ensure that you have reviewed your country's laws before you purchase or ship any works made from, or containing parts made from these restricted materials. It is your responsibility to obtain any necessary permits. No sale shall be rescinded if a permit (CITES or otherwise) cannot be obtained.

We encourage you to visit the CITES website www.cites.org.
