Description

Auchentoshan Single Cask, 25 Year Old

Distillery Bottled, limited release. Bottle No. 002/192, Cask No. 901. Special selection for the 50th anniversary of Calgary Co-op.
750 ml / Lowland Single Malt / 56.1% ABV

One of the only remaining Lowlands distilleries, famed for their exclusive use of triple distillation, Auchentoshan breaks the Lowland norm by producing solely single malts rather than holding a reserve for blended malts. This individual cask release was distilled in a Hogshead Cask and aged for 25 years before being bottled at an impressive 56.1% ABV. This is bottle No. 2 of 192.
