LOT 30 - Crown Royal "Blue LaSalle Edition" XR Extra Rare Canadian Whisky

Estimate \$ 250-350

Description

Crown Royal "Blue LaSalle Edition" XR Extra Rare Canadian Whisky

Seagram's LaSalle Distillery
750 ml / Canadian / 40% ABV

A very special edition of Crown Royal released in 2012, XR was created using the last batch of rare whiskies from former owners Seagram's LaSalle distillery, which closed in 2003. This is a true one-off, unrepeatable bottling with a terrific reputation among fans of Canadian whisky. The whisky earned the Gold Medal at the San Francisco World Spirits Competition, and earned a perfect 96-100 point score from Wine Enthusiast.
