Description

Bowmore 1964 Oloroso Cask 38 Year Old

Distillery bottled; limited release of 300 bottles; bottle #216/300
750 ml / Islay Single Malt / 42.9% ABV

Distilled in 1964, just a year after the Morrison's takeover of the distillery, this is regarded by many as a golden vintage, as are a number from the decade. This release was drawn from the same batch that produced the Black Bowmore, and was part of a trilogy which also contained a bourbon and a Fino sherry cask release.
