WA 93 | WS 90

"Tasting through Robert Mondavi's portfolio continues to reinforce my impression that this winery is undeniably the spiritual and qualitative leader of that sector of the California wine industry dedicated to producing world-class wines... The 1993 Cabernet Sauvignon Reserve outperformed the 1992 at the winery, revealing a concentrated, splendidly saturated dark purple color, wonderfully sweet, intense aromas of chocolate, smoke, vanilla beans, and rich blackcurrant fruit. The wine tastes more extracted than the 1992, with a sweeter, more expansive, glycerin-imbued mid-section and finish. Although it carries as much tannin as the 1992, the tannin is riper as well as better integrated. The 1993 is a 25-30 years wine..."
