"The 1975 Dom Pérignon (Original Release) is fabulous. Rich, explosive and incredibly inviting, the 1975 possesses magnificent depth and pedigree to burn. The very first hints of aromatic nuance are starting to develop in a wine that comes across as remarkably youthful. Over the course of several hours, the 1975 loses some of its intensity, but it remains superb. This is a tremendous showing." November 2017 (AG – Vinous Media)
