Estimate \$ 200 - 300

Description

Caymus Vineyards Cabernet Sauvignon 1996

Napa Valley, Cabernet Sauvignon
750 ml / USA / 14.2% ABV

WS 90

"Attractive creamy, toasty oak up-front, with supple currant and black cherry folding in beneath. Though it remains complex on the finish, it comes up shy in depth and added dimensions compared with previous vintages. Grapes are from the sources normally used for the Special Selection, which was not made in '96."
January 2000 (JL – Wine Spectator)

Proceeds from the sale of this lot are to the benefit of The Palliative Care Society of the Bow Valley.
