Estimate \$ 2000 - 2600

Description

William Larue Weller Limited Edition, 2021 Release

Buffalo Trace Distillery; Uncut Barrel Proof
750 ml / Kentucky Bourbon / 62.65% ABV

“Clocking in just shy of 13 years old, William Larue Weller may be the second youngest release in the Antique Collection, but the fact that it’s barrel proof and still comes in at such a high relative age for a wheated bourbon is a notable trait. The bourbon exhibits a nicely integrated funky oak presence throughout the sip, but at no point does it overpower the other flavors which are bright and lively throughout. The effective integration of flavors is the reason William Larue Weller is so highly sought after year after year, and deserving of the attention it receives.” – Breaking Bourbon
